Topic: The Rights of Indigenous People

Human Rights Committee,

Reminding that in the world there are millions of indigenous people,

Recognizing that financial...

1. Encourages all UN member countries to finance projects to build schools and hospitals;
2. Supports the NGOs that help indigenous people;
3. Requests a new law to educate the indigenous populations;
4. Considers that the indigenous people are equal to all humans and citizens of their countries;
5. Stressing the education of indigenous women.
