Topic: Rights of Indigenous People

Human Rights Committee,

Taking into account that in all our countries there are a lot of problems with indigenous people's land,

Reminding that the indigenous people were the first ones in those territories,

Remembering that indigenous people have the right to determine strategies for the development of their lands and resources,

1. Request that the Human Rights Committee resolve the problems about the territories;
2. Authorities that the indigenous people preserve their lands
3. Encourages that the indigenous people fight to recover their lands and their customs and traditions.
